

Organic, Shade-Grown, Fair Trade Coffee For Sale

The ECS Parent Community Organization is partnering with a local non-profit organization called **Building New Hope** to bring a unique monthly fundraiser to ECS. Building New Hope supports a worker-owned and operated farming cooperative in Nicaragua by paying them fair trade prices for their organically grown, shade-grown coffee. Read more about this environmentally sustainable project at <http://www.buildingnewhope.org/coffee.html>

***** All coffee is \$10 per pound *****

What a bargain! This is more affordable than the retail price in stores. And it makes a great gift!

Please turn your order form and check in by December 2. Put them in an envelope marked PCO COFFEE. Send it in your child's folder or drop the order form and payment off in the school office. **Coffee will be delivered to classrooms and sent home in students' backpacks on or before December 21.**

Questions? Email fundraising@ecspco.org.

It's good coffee!

The Nicaraguan Coffee is roasted to a light French roast, yielding a medium body, crisp, full flavor cup of coffee. Also available is decaffeinated organic, fair trade coffee, using a chemical-free water process, from cooperatives throughout Latin America.
