

Please join us for the first annual

Earth Nite

at the Environmental Charter School at Frick Park

When: Wednesday, April 22, 2009 6:00 – 8:00 PM

Who: Our Community, Parents, students... everyone!

What: Join the Imagine Environmental Charter School in celebrating their first annual Earth Nite. Community, families and students are invited to participate in a variety of earth-centered activities and to walk through a gallery of environmentally-themed work students created throughout the year. A student performance showcasing the importance of environmental stewardship will kick off the event, and sessions from local partners including Creative Reuse Pittsburgh, Conservation Consultants, Inc., Mung Dynasty, Point Brugge Cafe and others will provide additional resources and activities for participants.
