

## **Lower School Grade Reps Meeting: February 6, 2015**

**In attendance:** Ayoub, Balog,, Ferrency, Hare, Howell, McHenry

Grade level updates:

### **Kindergarten -**

No news; parents enjoyed the Gnome celebration

### **1<sup>st</sup> grade -**

Things seem relatively quiet

### **2<sup>nd</sup> grade -**

Mention of the reading program - Reading with Piper

### **3<sup>rd</sup> grade -**

Things are quiet. Still concerns about movie watching.

### **General:**

Book Mobile has made itself obsolete; the original intent was to gauge interest and feasibility for sites of future libraries.

There is now a fee (\$8,000-10,000!), as funding ended in 2001.

Ms. Cook will write a column in Wednesday Word re: the playground update. Include a time line (with reasonable expectations.)

Complaints about the half day - delayed opening fiasco. (Suggestion - *Do not schedule half days in January and February.*)

Is there a way to gather 9<sup>th</sup> grade data regarding our ECS student performance/success?

Black History Month - invite locals people as speakers (Bill Strickland, Ed Gainey, others...)

Review of admin/faculty foci:

MTSS

Citizen Circles

Assessment Committee - scope and sequence documentation

Curriculum and Instruction committee - KDB's

Next meeting is Friday, March 6, 2015 at 9:00.
