

### **General**

1. Night School: Can Night School possibly be moved to a different night of the month and/or be archived on the website? Could we also possibly have one during the day or provide child care?  
*Response: Todd is putting the powerpoint slides on the website*
2. Parent advisory committee for technology is being created to gather some parent input regarding Schoology and internet use moving forward. If anyone is interested they can reach out to Jon McCann or Todd Hoffman.
3. Playground: A developer walked through the lower school with Jon McCann and Katie Lockley. Jon is the point person for this plan moving forward.
4. Back to School Night and Meet the Teacher: Parents would like to have them split and have the back to school night again.
5. Project Based Learning: We are working on a plan for professional development for a cohesive K-8 PBL program. We hope to share out the longer trajectory with parents next year.
6. Club sign ups at Lower: Can we have an online email that said that you have completed the sign-up correctly?  
*Response: Ashley Emailed Amy Bianco*
7. Bus Concerns: There are some general concerns over bus behavior.  
*Response: There is a monitor on the Oakland bus and we are working on hiring one for the East Liberty bus. There is a bus directory for families to get to know each other on the bus. If you have a concern, please reach out to the assistant principals or principals to let us know what is happening on the bus and we can pull the tape from the bus if needed.*
8. Lower School Lunch: Request for a 5 minute longer lunch  
*Response: Ashley completed a teacher survey and is working on next year's schedule. They are also working on getting students through the line faster.*  
*-Can we have lunch system send an email to notify of low balance - sign up on your own*

### **Kindergarten**

1. Ashley is working on the transition for kindergarten students on the first day of school. She has a committee coming together to talk through what this would look like for next year. Stay tuned!
2. Communication is going really well - they are using a "homeroom app"
3. Kinder teachers are working on a rotation schedule for the iPads so students don't have access to them everyday of the week.

### **Second Grade**

1. Concerts: Can we work on videoing the concerts so that parents can either watch or purchase the videos?

2. Communication about the gifted screening even if they don't qualify for additional screening - cut off, context of the test, what their score was etc.

*Response: emailed Rachel L-P*

#### **Fourth Grade**

1. Students are reading articles and information about current events. Can teachers give a heads up to parents or provide a link to the articles so that they can follow up at home?
2. Student behaviors: Provide some context to emails when there are community issues that need to be ongoing conversations so parents can follow up at home.
3. Concerns about math curriculum: Can it be more transparent?

*Response: We are working on publishing a math scope and sequence for parents.*

#### **Fifth Grade**

1. Concerns about math curriculum: Can it be more transparent? Can we have a worksheet for math homework?

*Response: We are working on publishing a math scope and sequence for parents.*

#### **Seventh Grade**

1. Tests and Quizzes: Can we have study guides so we can prepare with our students for tests?
2. Do Now: Is there instruction with this portion of the class or is there a way we can help students who don't get the "do now" at the time?
