

## **PCO Meeting – October 6, 2016**

Christy Fitzpatrick-Burns introduced herself.

Dave Fraser explained that mini grants are available to ECS staff to fund various needs including school related, teacher and staff needs. Grants are available up to \$250.

Christy explained that the Fall Festival is on 10/21 and the Autumn Chill is on 11/11.

Christy introduced Beth Lott who explained the various committees and volunteer needs. She encouraged people to volunteer on a committee that might interest them and explained that some work may be able to be completed at home while other committees' needs are in-person.

Jon McCann thanked parents for attending and updated everyone on the Beautification Project at the Lower School. He said that phase one may be completed by the end of the school year. Lisa Perry spoke about fundraising for the project and encouraged parents to get excited about it. She noted that 75k has been raised and another 51k is needed by spring. The school may sell bricks to raise money and apply for a grant. Lisa encouraged parents to send any questions or ideas to her via email.

Christy announced that these can also be sent via the PCO email address at [parents@ecs.pco.org](mailto:parents@ecs.pco.org).
