

ECS Grade Rep Notes 4/8/16

Create awareness and tighten up the policy (homework)

Or revise the policy (homework) Clarity

- Paper homework instead of online (access issue)
- 4th grade gets a homework packet (but parents never see it)
- Inconsistencies in the eyes of parents who have multiple kiddos that pass through the same grade level
- Sometime they are referred back to the handbook
- Might contribute to their grade or it might not
- How is it given across teams, everybody doing the same thing...
- Work is not being sent home frequently enough
- Signature for folders (is it checked)
- Parents don't know where their students are at because they have not seen anything
- There is a need for math homework
- Orientation at the beginning of the year to review aspects that have changed
- Some teachers are allowing kiddos to complete homework at school and others not (4/5th grade different from 6th/7th/8th)

Lower School:

- Kids get sick often and send kids to school
 - there is a specific protocol for sending students home fever, throwing up
- Teachers should enforce it
- 3rd grade: opera kudos
- Excited to see a playground update April 14th at PCO meeting
- Lunch should be longer (30min)
 - K and 1 will have 30 minutes next year (same as this year) 2nd and 3rd will have an extra 5 minutes (making it 25 next year) if that doesn't help we can go to 30 in the future
- Lunch menu was missing (end of March)

Calendar:

- Ask for input afterwards....
- Send info home after meeting
